Prof. Barbara Putz -Plecko,
Art and Communicative Practice,
University of Applied Arts Vienna.

Dear Madam,

RE: WORKSHOP BY STUDENTS FROM THE UNIVERSITY OF APPLIED ARTS IN VIENNA.

I am writing to confirm that the School administration and management of SOS Children's Village at Kakiri have held discussions with Stephan Nowak, Mona Liska and Lydia Japalni about a proposed Art Education Workshop for fifty secondary school students of SOS Hermann Gmeiner Secondary School in January 2008.

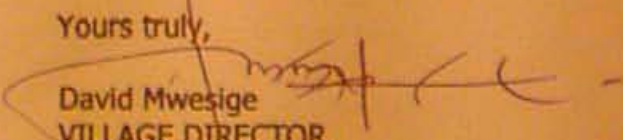

The students have made a pre -visit to the school and inspected the facilities which will be used for the workshop.

The workshop will be conducted jointly with four students from Makerere University in Kampala.

They will be accommodated at the children's Village, close to the school during the duration of the workshop.

We look forward to working with them to ensure success of the workshop.

Yours truly,

David Mwesige
VILLAGE DIRECTOR.
