Confirmation

Herewith I confirm that the Department for Visual Arts and Communication (Art Education) at the University of Applied Arts is supporting the transcultural project *Ugatra* (Ugandan Austrian Transfer), an educational project based on the arts.

The aim of the project is to organize a transcultural exchange in art and education between Uganda and Austria: to implement workshops in secondary schools and to support the exchange of specialized knowledge on university level.

The University will help to cover the financial needs of the project and will help to find funding in Austria to cover the travelling costs for the students, the cost for accomodation and will financially contribute to the workshops and the exhibition.

With best regards

Barbara Putz-Plecko, Univ.Prof. Mag.art.
